

# ISCA ONLINE MEMBERSHIP DIRECTORY

The ISCA will soon be uploading its first ever online membership directory. This directory will have a complete listing of all ISCA members, searchable by zipcode, first and last name among other options to make it easy for consumers to find your practice. We will be providing a free basic listing for all ISCA members that will include your first and last name, clinic name and address, business phone number and fax and the year you became an ISCA member.

For the low additional cost of \$100 a year, ISCA members can upgrade to a Premium Profile that will expand your listing in our online directory. The Premium Profile includes a description (40 words or less) of your practice, hours of operation, payment types accepted, techniques, specialties, alternative services, social media links, a profile picture and more!

Please make sure to provide us with any changes and updates using the form provided on the back of this page that you would want reflected in this new online directory and fax or mail back this form back to our Association headquarters at 200 S. Meridian St. Suite 350 Indianapolis, IN 46225 or fax to 317-673-4210.

If you have any questions about the new online directory, please call us at 317-673-4245 or toll-free at 800-572-8002 or email [info@indianastatechiro.org](mailto:info@indianastatechiro.org).

Thank you!
